<b>Employee Database Internet Edition (EDie)</b>				
Employee Database Internet Edition (EDie) is the web-based and enhanced version of VEDS. EDie, a client server application, provides integrated, next generation solutions with web-based access to employee management data. Purchase of EDie requires the one-time base license fee for each primary organizational structure (a licensing entity) as well as the renewable per user license fee (per licensing entity and software maintenance). Continued use of the software requires payment of the renewable user license fee and software maintenance on a fiscal year basis. NetComm, Inc. warrants for a period of ninety (90) days from delivery (Warranty Period) that it will make reasonable efforts to ensure the Licensed Product operates substantially in accordance with the applicable specifications.

EDie is a proprietary software product solely available from NetComm, Inc. Each person who accesses EDie must be covered by a user license.

Client is responsible for obtaining the training site for EDie training classes. Each trainee should have hands-on access to a workstation. Cancellations are allowed with seventy-two (72) hour notice without cost. Cancellations after deadline are charged full tuition rate. Substitutions are allowed. Minimum class size: 6 for Basic User Training; 2 for Data Administrator Training.

The Per User License Fee and Product Software Maintenance Support must be renewed at the beginning of each fiscal year. Client is requested to identify those authorized for telephone and email support.
