VEDS is a proprietary software product solely available from NetComm, Inc. Each copy of VEDS may be installed on one network server. Each person who accesses VEDS must be covered by a user license.

Client is responsible for obtaining the training site for VEDS training classes. Each trainee should have hands-on access to a workstation. Cancellations are allowed with seventy-two (72) hour notice without cost. Cancellations after deadline are charged full tuition rate. Substitutions are allowed. Minimum class size: 6 for Basic User Training; 2 for Data Administrator Training.

The Per User License Fee and Product Software Maintenance Support must be renewed at the beginning of each fiscal year. Client is requested to identify those authorized for telephone and email support.
